

SIBLING ACTIVITY KITS

What is it?

Volunteers put together activity kits for siblings so they have something fun to do while the rest of the family focuses on bonding with their new baby in the Neonatal Intensive Care Unit (NICU).

Why is important?

Big brother and/or big sister have been a part of this journey to the NICU. Parents want each child to feel cared for and special. These activity kits go a long way in helping with just that, and when siblings come to the hospital they get their own little surprise!
